ASSIGNMENT

Whereas I, Philippe Pouletty, have invented certain new and useful improvements in **SUPER GLOBULINS FOR IN VIVO EXTENDED HALF-LIFE**, for which invention I have executed an application for Letters Patent of the United States, which application may be identified in the United States Patent and Trademark Office as Serial Number 08/237,346 filed May 3, 1994, now US Patent 5,612,034.

Whereas ConjuChem Inc., a Canadian corporation having its principal place of business at 225 President Kennedy Avenue, Suite 3950, Montreal, Quebec CANADA, H2X 3Y8 (hereinafter referred to as "assignee"), is desirous of acquiring the entire right, title and interest in and to said invention, said application and the Letters Patent to be obtained therefor;

In consideration of One Dollar and other good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned hereby assign(s) to ConjuChem Inc., its successors, legal representatives and assigns the entire right, title and interest in the invention or improvements in and to said invention, and in the application for Letters Patent of the United States therefor, and in any reissue, extension, division or continuation of any Letters Patent that may be granted upon said application or applications. The undersigned hereby authorize(s) and request(s) the Commissioner of Patents to issue said Letters Patent to said assignee.

For said considerations, the undersigned hereby agree(s), upon the request of said assignee, to execute any and all divisional, continuation and renewal applications for said invention or improvements, and any necessary oath or supplemental oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application that said assignee may deem necessary or expedient, and for the said considerations the undersigned further agree(s) upon the request of said assignee, in the event of said application or any division thereof, or Letters Patent issued thereon, or any reissue or application for the reissue thereof, becoming involved in interference, to cooperate with said assignee, in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, and the undersigned hereby agree(s) to perform, upon such request, any and all affirmative acts to obtain said Letters Patent and vest all rights therein hereby conveyed in the said assignee as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made.

And, for the said considerations, the undersigned hereby assign(s) to said assignee the entire right, title and interest in said invention or improvements for any and all foreign countries and agree(s) upon the request of said assignee to execute any and all documents in connection with any and all applications for foreign Letters Patent therefor, including the prosecution thereof, and to execute any and all documents necessary to vest title in said foreign applications and patents in said assignee.
